

A Better Front Desk Experience with Zenoti Mobile

Rethink your front desk. Zenoti Mobile POS lets you ditch the desk for a more streamlined experience.

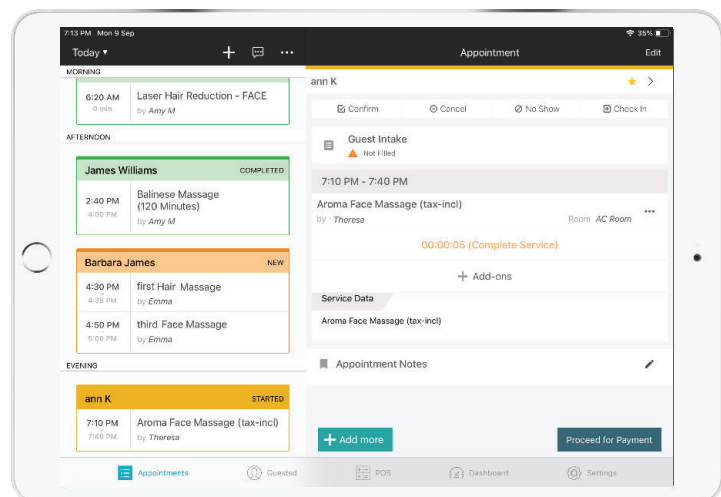

Say hello to desk-free reception

Today's customers much prefer texting to phone calls. Zenoti Connect allows you to bolster your communication strategy with 2-way texting capabilities so nothing gets lost in translation.

Intuitive design that goes where you go

Using just an iPad, your staff can check guests in and out, update invoices, print receipts, collect payments, manage membership points, and more — all on the go.

Easier appointment management with Zenoti Mobile

Optimize customer appointment requests for happier guests and more efficient operations.

Group bookings

Zenoti Mobile makes group bookings and check-ins as easy as possible.

Booking wizard

Let the Booking Wizard work its magic and automatically simplify your staff's booking experience.

Manage appointments

Use the appointment calendar to reschedule appointments and adjust service durations.

Go digital with your forms

From intakes and consents to consultations and treatment notes, Zenoti Mobile takes the effort out of distributing and storing forms. Meet your operational needs and provide more convenience to your guests at the same time.

Learn how Zenoti Mobile can digitize your front desk for improved guest experiences.
